MCLH knows that all Log Home Companies are offering big discounts this time of year in order to "get" a sale.

MCLH just wants you to know that if you are a serious buyer, want a quality product, and are ready to move forward, we want to talk with you! We are offering real money saving deals too.

All without changing our materials, and package elements. We will not shortchange anyone to make a package "affordable". We have one of the best packages in the industry and it will remain that way. Let us give you our best proposal that we can offer. You can have the log home that you have been dreaming about.

**Moosehead Cedar Log Homes. Made in Maine, by Maine craftsmen.
You'll see and feel the difference.**

*Includes delivery in New England and New York State. Offer cannot be combined with any other offers. 30% cutting deposit must be received by March 1, 2012. Delivery must be taken by December 31, 2012

Making your dream a reality...one log at a time.
